

INTRODUCING  
**TOTAL  
 CONNECT**  
 FROM LOWITT ALARMS

**GAIN THE POWER TO ACCESS, MONITOR AND CONTROL YOUR SECURITY SYSTEM FROM ANYWHERE.**

With Total Connect from Lowitt Alarms, you can access, monitor and control your security system from anywhere. Using your mobile device or laptop, you can see what's happening in your home or business when you're not there.

**Total Connect for Home**

Know when kids come home from school or leave the house, check on the babysitter or get an alert when the security system has been armed or disarmed. All you need is your laptop or mobile phone to stay in the know and stay in control.

**Total Connect for Business**

Gain the critical information you need to help manage your business, your employees and even the unexpected. Around the country or around the world, know when people come in, what they are doing, when business has been closed and when doors or secure areas are opened.

For information about special offers on Total Connect and how to get tomorrow's security technology today, call 516-433-6960.
